CreaMask C

Line: Retail Skincare · Home Care | Presentation: Dermocosmetic daily home care format

CreaMasck vitamin CFacial mask formulated to treat tired skin by giving it the luminosity and vitality, providing, immediately, a rosy tone and a radiant and healthy look. At the same time, it homogenizes the skin colour, improving the texture and the elasticity of the skin, hydrating it in depth and helping to minimize wrinkles and expression lines.VITAMIN C - Antioxidant action: vitamin C acts by capturing and deactivating oxidants and free radicals in the skin, increasing skin elasticity and promoting collagen synthesis. Pigment: suppression of skin pigmentation process and degradation of melanin. COLLAGEN - one of the most important sclerocorneal connective tissue proteins that present as fibres. It is the element of the main structure of the skin and thus largely responsible for its characteristic properties. Reinforces the hydrolipidic barrier, maintaining skin tone and hydration.ELASTIN - Mature skin regenerator, elasticity protector. Improves the bio-dynamic properties of the skin, enhancing its elasticity and nutrition.AMINO-ACIDS (aspartic acid, Hydroxyprolina, Theorina, serine, glutamic acid, proline, Glycine, Lysine, Arginine) - It enhances the vitality of dermal tissue and reduces or prevents the formation of lines and wrinkles. It provides the skin with amino acids and peptides to help increase elastin synthesis.HYALURONIC ACID - Thanks to its great ability to attract and retain water, its use in cosmetic topical treatments can rehydrate in-depth the epidermis of the treated area, it can also increase the thickness and the volume of the skin and reduce the furrows, making the skin looks smoother.

KEY ACTIVE INGREDIENTS
