DeePure

Line: Professional Cosmetics | Presentation: Professional cabin dermocosmetic format

DeePure is a hydrating cleansing milk formulated with liposomal glacier water, suitable for all skin types, including the most sensitive. This cleansing emulsion has a creamy and fresh texture, offering deep cleansing without harming the skin.

KEY ACTIVE INGREDIENTS

- Active Ingredients:
- Stearic Acid and Cetearyl Sulfate : Provide a pleasant cleansing experience, combining gentle emulsifiers and emollients that deeply cleanse while hydrating the skin.
- Sweet Almond Oil : Soothes irritation and inflammation, being rich in vitamins A, B1, B2, B6, and especially vitamin E. It is an excellent moisturizer that absorbs easily, adding softness and flexibility to the skin. This oil is considered a natural beauty treatment that helps eliminate dryness, wrinkles, impurities, and dead skin cells, leaving the skin radiant and glowing.
