Exocell Centella Exosome - Renewal

Line: ExoCell Exosomes | Presentation: Professional plant exosome biotechnological complex

Advanced Skin Regeneration with Exosomes

KEY ACTIVE INGREDIENTS

- Exocell Centella Exosome - Renewal is a two-vial product designed to restore vitality and improve skin quality. This treatment combines exosomes derived from Centella Asiatica with an activating solution that enhances hydration and strengthens antioxidant protection. Mixing both components just before application ensures maximum stability and effectiveness of the active ingredients.
- · Vial 1 (Lyophilized Powder): Centella Asiatica Exosomes.
- · Step 2: Pour the contents of the ExoCell Centella Exosome vial into the ExoCell HydraActivator vial to activate the formula. Shake gently.
