ACTIVOS PRINCIPALES

- Active Ingredients:
- Argireline(R) Amplified Peptide: Known for its Botox-like action, it helps reduce muscle contractions, minimizing the formation of wrinkles and expression lines.
- Munapsys(TM): An innovative peptide that enhances muscle relaxation, providing a smoothing and rejuvenating effect.
- Retinol: This powerful ingredient stimulates cell renewal, improving skin texture and promoting a healthier, more radiant appearance.

INDICACIONES COSMÉTICAS / CLÍNICAS

- ForeHead VitaSerum
- ForeHead VitaSerum is an innovative serum specifically designed to combat horizontal wrinkles on the forehead and vertical lines between the eyebrows. This revolutionary product, a pioneer in the market, works by contracting and relaxing the muscles in the forehead area, contributing to a smoother and more youthful appearance.
- Key Benefits:
- Wrinkle Reduction: Effectively combats wrinkles, providing visible results in a short time.
