FresHydra

Line: Professional Cosmetics | Presentation: Professional cabin dermocosmetic format

A toning and hydrating lotion formulated with Aloe Vera and natural extracts, suitable for all skin types, including sensitive skin. This lotion is alcohol-free and paraben-free , making it ideal for caring for the skin gently and effectively.

KEY ACTIVE INGREDIENTS

- Active Ingredients:
- Linden Extract : Increases collagen production, improving skin elasticity.
- LINDEN EXTRACTS - Increases collagen production. The molecule takes the place of a human peptide involved in making collagen. Providing this active ingredient, we increase collagen production and improve the quality of tissue responsible for the firmness and elasticity of the skin fibres.

COSMETIC / CLINICAL INDICATIONS

- Freshydra Tonic
- A toning and hydrating lotion formulated with Aloe Vera and natural extracts, suitable for all skin types, including sensitive skin. This lotion is alcohol-free and paraben-free , making it ideal for caring for the skin gently and effectively.
- Features:
- Aloe Vera Extract : Soothes and regenerates the skin, providing deep hydration due to its ability to retain water molecules.

PUBLIC APPLICATION OVERVIEW

- Rich in plant extracts, Freshydra Tonic tones the epidermis, refreshes the skin, regulates its pH, and prepares it for the application of other products.
