Etternity Dermal S.L. | Madrid, Spain

RejovaPeel

Line: Peels | Presentation: Professional clinical peeling format

- Removes the top, dead layer of skin and restores a healthy glow

KEY ACTIVE INGREDIENTS

- Innovated gel formula composed of a group of acids known as alpha hydroxyl acids (AHA) with resorcinol and D-Panthenol aimed to built-in anti-irritant and penetration enhancer that provides controlled exfoliation of the uppermost damaged layers of the skin to reveal fresher and healthier skin. It provides predictable results with minimal downtime. Ideal for acne treatment, exfoliation, removes your uppermost layer of skin.
- RejovaPeel processes triggers the production of new collagen and elastin and, as a result, erases fine lines and wrinkles evens out skin discolouration and improve skin texture.
- 44% Glycolic Acid - Keratolytic AHA that smooths skin and improves skin's texture.
- 10% Citric Acid - Antioxidant that preserves the natural moisturizing factor
