Profirming

Line: Professional Cosmetics | Presentation: Professional cabin dermocosmetic format

Reafirma el tejido ayudando a fortalecer las fibras estructurales para mejorar la elasticidad de la piel.

KEY ACTIVE INGREDIENTS

- Algisium C(R): Known for its firming properties, this ingredient helps improve skin structure.

COSMETIC / CLINICAL INDICATIONS

- ProFirming Cold Gel
- Experience the refreshing sensation of ProFirming, a concentrated body emulsion that offers a cold effect and is designed to provide triple-action benefits for firmer, healthier skin:
- Tissue Firming: Helps strengthen structural fibers to improve skin elasticity, providing a more toned appearance.
- Stretch Mark Improvement: Effectively targets red and pearly stretch marks, helping to recover the skin's elastic fibers for a smoother look.
